

## A special gift for you

After you light the fire, pour the eggnog and put your new copy of **A Very Chaise Lounge Christmas** on the turntable, you can hang your Chaise Lounge Christmas ornament on the tree. We hear that it also works as a mistletoe substitute. Please let us know if this is true.

## The How-to

- 1 Cut along edge of design.
- 2 Make slits at the slots.
- 3 Fold as logic would dictate.
- 4 Insert tabs into slots.
- 5 Insert hanging wire at chimney.
- 6 Admire your handiwork.
- 7 Hang on tree.

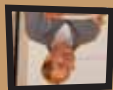

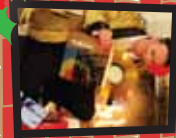

Have yourself ...

And, of course, at all concerts

Merry  
2012  
Christmas

It should end up looking something like this
